## TOP PROVEN BULLS

### IFEELING

Volvo x Payoff x Camaro

He is still the highest proven French sire and is able to rank at the top in all countries! With **485 daughters** it makes him 3# of proven bulls in USA with **178 PPR**, #19 in Italy with **1169 ITE** and 1604 milk, #21 in Germany with **122 GZW** and #19 in Switzerland with **1307 GZW**! He secures milk potential with high fat and protein content. His daughters are balanced with very functional udders and great mastitis resistance!

Melaine, IFEELING daughter

### JEROBOAM

Hulk x Paysli x Nesta

Myrza, JEROBOAM daughter

He made a big impression at Paris show 2020 with 8 daughters for the Miss BGS contest! There is no doubt he is a **great udder** bull, with +1.4 udder score. He doubled his number of daughters and gained again 4 pts of ISU despite the annual base change of 4 pts ISU! He improves even more a trait that many are looking for: a fantastic daughter **fertility at +1.6**! With these two traits, along with good production we can expect a **very long productive life** for these medium sized cows delivering the perfect caseins BB and A2A2. He is #13 of proven sires in Switzerland with **1329 GZW**! He is also BB and A2A2

### JOYAU

Anibal x Huray x Denmark

Coming from the reknown family of Reine (Denmark) reserve Grand Champion Swiss Expo, Joyau is adding daughters and keep the tradition of the **great conformation** of his line. He sires **super top lines, good rumps and well attached udders**. Daughter **fertility** is another asset with +0.8 and among the best for longevity. A really complete proven bull like his sire Anibal!

Martienne, JOYAU daughter

## JERRY

### Anibal x Huxoy x Talc

Histoire , JERRY dam

This another Anibal son is just starting to get daughters in milk but what a start! He jumped at **+1463 for milk** and can align all favorable functional traits like **udder health**, **daughter fertility**, **milking speed** and **calving ease**! Watch for his august proof with more daughters, he is reaching the top list of proven bulls at the moment and semen stock is limited.

## NEW GENOMICS SIRE

## OPTIMAL

### Sinatra x Blooming x Vigor

He is the new top sire from France you shouldn't miss! With **1456 GZW** he is #7 of bulls available in Switzerland along with **132 for udder**! He is also #7 in Germany with **129 GZW** but also **131 for udder** there. This Sinatra son has a famous line: his dam Mana (Blooming) is **one of the best cow in France** and represented France at the last Verona show! He is loaded with milk, very complete type package like the Fiona family. He is **available sexed** and BB/A2A2!

Mana , OPTIMAL dam

## OPINEL

### Sinatra x Asterix x Vasir

OPINEL

Coming from another branch of Namur and Luther family, OPINEL is another very high index sire with **1439 GZW** in Switzerland and **124 GZW** in Germany. He is a **component specialist**, combined with **very good volume of milk**. His type pattern is complete and the sire stack Sinatra x Asterix makes him an easy mating choice for all major bloodlines! He is **available sexed** and BB/A2A2!

## ORTOLAN

### Lordain x Hulk x Jolt

This newcomer hails from the Japonaise family, one of the strongest for **overall type** in France. His sire Lordain (Glarus x Vassli) is a **very high milk** bull with **strong udders**, qualities that he passed on to ORTOLAN. In Germany he gets 129 for udder and 126 also in Switzerland! He is going to make very high udders, super fore udder and **ideal teats**. **High protein %** and **great udder health** complete the picture and he is A2A2, **available sexed**

Louisiane , ORTOLAN dam

## OPENBAR

### Dorian x Isold x Vigor

Miss , OPENBAR dam

This intriguing sire from Futee family has the ideal package for commercial herds looking for **medium sized cows** with the Brown Swiss advantages: **high components**, **super udder health**, great daughter **fertility** and high lifetime! He is the real fitness champion, also bringing **shallow udders** with **ideal teats**, **very strong feet and legs**. With good calving easy he can be a great partner for crossbreeding. He also ranks very high abroad, with **1410 GZW** in Switzerland, making him #12. He is BB/A2A2 and **available sexed**.

## OXYGENE

### Antonov x Huxion GNR x Vigor

This first Antonov son from France can convince most breeders with a long list of superior traits! His grand dam the famous Fiona is delivering another top bull: he is loaded with **milk at +1162**, the daughter **fertility** is among the best sires available, positive **milking speed** and longevity complete the **great functionality**. He is also siring very complete conformation with nice **top lines** and **good rump angles**, excellent heel depth, and **very good udders** with perfect teat size and placement **for robots**. On top of this he is very easy calving, BB/A2A2 and **available sexed!**

Fiona , OXYGENE gran dam

## OTHER TOP GENOMIC SIREs

### O MALLEY

#### Bender x Glarus x Dally

This international star remains in the top with **#2 at GZW 1481** in Switzerland and **143 for udder!** He is the highest worldwide young sire in France with ISU 181! With the new system in Italy he is now **1078 ITE** and #43 of available sires, with 135 for Fitness and still the highest Bender son. He is now available in USA and ranks #30 for **PPR at 161**. Our most demanded bull keeps his strong profile **for high components, super functional traits and great** overall type! Semen availability is good, he is BB and A2A2 and **available sexed!**

Lilipus , O MALLEY dam

### NICE GP

#### Fact x Calvin x Glenn

Jolie GP, NICE GP dam

This Fact son remains in the top list of AI bulls in Switzerland at rank 29 with **1372 and 131 for udder**. He is one of the rare bulls at this level with Calvin as MGS, the **udder maker!** He has now several high sons coming and his daughters also topped the GZW list! We look forward to the future of this special bull for udders and outstanding daughter **fertility, udder health, milking speed** and **longevity**...without sacrificing milk! He is BB/A1A2 and available also in **sexed semen**.

### OLYMPIC (polled)

#### Versus P x Vigor x Zeus CH

Our **first polled** sire combines all traits you are looking for in commercial or **grazing farms**: super components especially fat, **medium size** cows with **great udders** and strong **feet and legs**, high daughter **fertility** and **easy calving!** He can be a great choice as crossbreeding partner. On top of this he is BB, A2A2 and **available sexed!**

OLYMPIC

**NAMUR**, keeps his position in the **top GZW** in Germany with 129 that makes him #8! He is a production specialist with **functional cows**, well framed on great **feet and legs**. With plenty of strong calves on the ground we look forward to their future!

**MOMO PF** is the highest IFEELING son and keeps an exceptional level in **all countries!** He is #4 in Switzerland with **1464 GZW CH**, in Italy he #10 with **1185 ITE** and #11 in USA with **183 PPR** ! He is also BB and A2A2. Except his first son coming in august 2020!

**MAJESTE** is the best Carter son worldwide with **182 PPR** making him #12 in USA and also **125 GZW** in Germany at 59th position. His first daughters are already genotyped in USA and reach the top of the PPR list too!
