## ★ OUR TOP NM\$ and TPI bulls ★

**NOTTINGHAM**

### **NOTTINGHAM : NEW TOP NM\$ +929**

ACCEL RENOWN x JOSUPER VG85 x NUMERO UNO VG86

The #1 NM\$ active bull to build **balanced** and **productive** cows (+1847). He provides high **milk solids** (+158), a sound dairy **type** (+2,1) and excellent **attached udders**.

From WILCOXVIEW RUDOLPH CALI EX93 family, he is preceded by 10 generations classified VG and EX. His dam was intensively flushed and produced 10 males over 800 NM\$.

His full brother **NEMON** is also newly marketed (+898 NM\$). He is the specialist in **milk** (+2146) and **type** (+2,5). He provides strong (+1,6) and wide cows (+1,8).

In the same profile, the bull **NEWDEAL** (BLOWTORCH x GAMBLER LE) is now available (+805 NM\$) from the record production family COMESTAR LAURIE SHEIK VG88. He combines a high **milk** production (+1711) and **milk solids** (+142). He builds moderate sized cows with **excellent udders** (+2,1), very good **feet and legs** (+1,6) and a superb **fertility** (+1,9).

### **NAMASTE : NEW TOP TPI +2814 and #1 FERTILITY +4,4**

FORTUNE x MONTROSS VG85 x SUPERSTITION EX90

The modern functional bull which makes **long lasting** (+8,0) and **productive** (+1549) cows. He combines an excellent fertility (+4,4) with great (+2,2) and **healthy udders** (+2,6). **Feet and legs** are ideal (+1,8) to complete this balanced bull.

From EL BOMBERO family by his 2<sup>nd</sup> dam RICHMOND FDS BARBARA EX90. He is preceded by 5 generations classified VG and EX. His dam is currently in the TOP 15 GTPI of MONTROSS daughters.

**NAMASTE**

**NILLSAP** (Dam : WILRA SUPERSIRE CLOVER)

### **NILLSAP : NEW NM\$ +853, GRAZING and OUTCROSS SOURCE**

IMAX SILVER x SUPERSIRE x SHAMROCK

The TOP bull adapted for **grazing** system. He provides perfect **functional traits** (PL +7,3 & Fertility +2,4 & SCS +2,7) without missing milk (+1078). He combines a perfect **moderated size** with very good **feet and legs** (+1,5).

NILLSAP comes from a recently new cow family introduced by genomic with his 4<sup>th</sup> dam WILRA RAMOS 598. That makes him easy to use in your matings.

**NAXEL** and **NIXI** are still in the best active bull list over 800 NM\$. They are completely **modern** and **balanced** and they both combines milk (> 1000), **milk solids** (> 120) and **Fertility** (> 3).

NAXEL provides a **medium size** with superb **calving ease** (+6,6) and perfect feet and legs (+1,4). NIXI is the specialist in **longevity** (+6,7) and he brings an excellent **DPR** (+4,0).

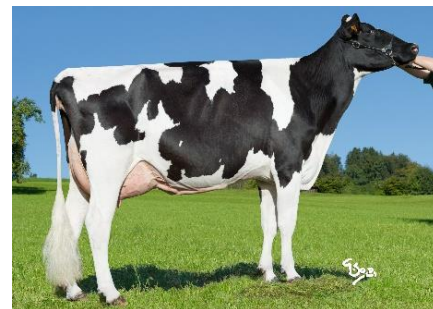

## ☆ OUR TOP ISU bulls ☆

### **NANTAIS : OUR TOP ISU + 222**

CHASSY x LTM PONDER x NUMERO UNO

Our new #1 ISU bull. Plenty of **A2A2 milk** (+1156), he is exceptional for **components** (+0,22% Protein and +0,52% Fat) like his dam (3,8% Protein and 4,8% Fat in 1<sup>st</sup> lactation). He provides **great and healthy** (+2,0) **udders**. He is excellent in **fertility** (+3,3) and **type** (+2,6).

His half brother **NIVERNAIS** (by **LOUXOR**) is also newly marketed as a **complete** bull, he has a **dairy** profile (+1417 milk and +142 milk solids) very **functional** (+2,4 longevity). They come from ROC HAPPY family which produced bulls like COMEDIEN, DACTYL ISY, MONROC P, etc.

**NANTAIS** (Third dam : ROC HANOVE VG89)

**NEWSTAR** (**LOUXOR** x **CAPITAL GA**) is our #1 sales from august. The best son of LOUXOR and one of the best in **type** (+4,5) from his generation.

**LOUXOR** still stays our **best active bull** (+220 ISU). Time is running but he is still on the TOP even if new bulls are coming. He stays extraordinary **balanced** and **efficient**.

**NUACES** (Dam : LAURINA)

### **NUACES : ALTERNATIVE PEDIGREE**

LUACES x INDEED x GALOSH ISY

This 1<sup>st</sup> son of LUACES has an **original pedigree** which makes him easy to use in matings. This adds a **complete package** and an excellent **calving ease** (90%).

He provides a **high** (+1149) and **healthy** (+2,9) **milk production**. He combines a well-balanced **type** (+2,3) and good feet and legs (+1,2).

Others alternative pedigree are available like **NOUDEC** (**COMMANDEUR** x **HURION ISY** x **GUARINI**) with plenty of **A2A2** and **BB milk** (+1343), huge **milk solids** (+121) and a **strong type** (2,6).

## ☆ OUR TOP IN EUROPE ☆

**NEOSTAR** (**MISTER EXTRA** x **MILLENN MR**) is locating as the 3<sup>th</sup> **higher RZE available** in the world with **+145**.

From the BLACKSTAR RAVEN EX95 family, he is preceded by 10 generations classified average EX91, free from DOORMAN blood. **DANILO** and **SNOWFEVER** also come from this famous strain.

**NORLAND** (**FIMME** x **LTM PONDER**) is the **#4 NTM** foreign bull in the top ranking. This modern bull is the only one in Scandinavian countries to associate >120 for udder and caving ease and production.

**NEVERMIND** (**JETT SSI** x **LA BRON**) is also the **#4 NVI** foreign bull in the ranking.

**MANANA RED** (**SUNFISH RF** x **LADD P RED**) is still in the **TOP 10 NVI RED** with +313 and an **excellent INET** (+523 €) that makes him a very efficient bull to earn money.

**NEOSTAR** (Grand-dam : LOLITA)

## ★ OUR NEW NM\$ / TPI PROVEN BULLS ★

**INPUT** (Dam : G2 GALAWAY)

### INPUT : THE TOP DAUGHTER PROVEN BULL FOR NM\$ +737

*SUPERSIRE x NIAGRA x ROUMARE*

INPUT is one of our TOP seller since these 4 last years. We are proud to announce that he join the TOP daughters proven bull list for NM\$. With more than 400 milking daughters, he stays an impressive **balanced** bull with +737 NM\$, +1453 **milk** (improvement of +100 milk) and +139 **milk solids**. He also combines a very strong balanced **type** (+1,6 STA & 1,2 STR & 1,0 BDE).

## ★ OUR NEW ISU PROVEN BULLS ★

Two new proven bulls join **HURION ISY** on the TOP. HURION ISY is now the **#1 international bull proven** with more than 5000 milking daughters.

### JETSET : A STRATEGIC PROVEN BULL

*DOORMAN x ERMES VG88 x ASHLAR VG85*

This appreciated modern bull is coming as a proven bull. He well confirms his leadership for **ISU** (+190), **type** (+3,4) and **perfect** and **healthy udders** (+3,0) by the fantastic performances of his first daughters all around the world. He also brings an excellent **resistance to infectious lesions** (RLI) with +1,2.

This bull was the most used in France 3 years ago and one of the most European father of son in all the Europe.

We expect more classified daughters next april proofs to finalize this awesome confirmation.

**JETSET** (Daughter : MELODIE)

**HOSPADOR** (Daughter : RANCEL3653)

### HOSPADOR : THE EXCEPTIONAL PROVEN BULL

*EPIC GENER x BRONCO x STOL JOC*

With 544 daughters, HOSPADOR stays the perfect proven bull to build productive and long lasting cows. With +3,5 in **fertility**, +2,3 in **longevity** and +828 in **milk**, he confirms his leadership of a modern functional dairy bull. HOSPADOR provides to his daughters an **balanced type** (+2,2) coupled with an exceptional **calving ease** (90%).
